Construction Continues to Proceed at TVI Pacific's 30.66% owned TVIRD Balabag Gold and Silver Project

4/6/2020

CALGARY, April 6, 2020 /CNW/ - TVI Pacific Inc. (TSX-V: TVI) (OTC Pink: TVIPF) ("TVI" or "the Company") is pleased to provide a construction update with respect to the Balabag gold and silver project ("**Balabag**"). Balabag is owned 100% by TVI Resource Development Phils., Inc. ("TVIRD"), a Philippines corporation in which TVI holds a 30.66% interest, and is located in Zamboanga del Sur, Philippines.

Balabag Gold-Silver Project :

TVIRD has taken considerable care to ensure that all staff are aware of COVID-19 precautionary measures and has incorporated an awareness campaign into its daily review of safety matters with all of its team at site. The ongoing attention to health and safety has allowed project development works to continue to progress and the Company is pleased to report that:

Project development continues to move forward and includes:

- Ongoing construction of the Processing Plant including construction of the cyclone building, installation of the conditioner, flotation cells, catwalk, stairs/railing at the flotation building and ongoing erection of the CIL tanks;
- Ongoing works related to power supply including the switchgear room and troubleshooting/synchronization testing of 3 gensets transferred from Canatuan. Delivery of an additional 2 new gensets is expected in April 2020;

- Continued clearing and construction of the Tailings Storage Facility ("TSF");
- Ongoing construction of permanent accommodations.

Photos evidencing Balabag construction progress can be found on the Company website at TVIPacific.com.

Agata Direct Shipping Nickel/Iron Operations Update:

Attention to health and safety has continued to also be a key priority at Agata where no disruption in the profitable activities of direct shipping Nickel/Iron mineralized material has been experienced. Four (4) shipments have been completed during March for a total project-to-date of 257 shipments of 13.97 million wet metric tonnes through to March 31, 2020.

"We are proud of the commitment the TVIRD teams continue to demonstrate at both our Balabag and Agata sites. The health and safety of the TVIRD personnel and contractors at site is key to ensuring that all TVIRD operations and activities continue without any disruption and we are therefore pleased that all precautionary measures taken to date have proven to be effective. TVI fully supports and commends this commitment and wishes all staff and their families the best of health through the current COVID-19 pandemic that has gripped the world.", said Mr. Cliff James, Chairman and CEO of TVI and Chairman of TVIRD.

Further to the Company's press release of November 22, 2019, in which the Company announced the withdrawal of the scientific and technical disclosure set out in the Technical Report entitled "NI 43-101 Technical Report: Balabag Gold and Silver Project, Balabag, Depore, Zamboanga del Sur, Philippines" and filed on October 18, 2019, the Company wishes to clarify that in making the decision to put Balabag into production, TVIRD, a Philippine corporation that the Company does not control, relied exclusively on technical and economic analysis prepared under Philippine regulations and did not rely on TVI's October 18 report or any feasibility study classifying mineral reserves prepared in accordance with NI 43-101. Historically such projects have a much higher risk of economic and technical failure.
